The Georgia Accounting Information Network Support (GAINS) members will hold their Annual Conference on May 2nd and 3rd, 2024 at the Savannah Marriott Riverfront Hotel in Savannah, Georgia.

The 2023 conference attracted an attendance of approximately 236+ school system and RESA personnel consisting of administrators as well as finance and business personnel from across the state. As a vendor, you will have the opportunity to meet and visit with all of the attendees. We had 18 vendors who participated in the 2023 conference.

As shown on the tentative agenda, all presentations include the group as a whole in a general session. The exhibitors and attendees remain together during sessions, meals, and breaks in the Savannah Marriott Riverfront Hotel both on Thursday and on Friday. This helps to ensure that you will have access to the attendees during the three scheduled meals and the four scheduled breaks.

There are four (4) sponsorships available this year. Each sponsorship is \$3,500 and includes a five (5) minutes speaking opportunity in front of all attendees, recognition in the conference agenda, your company logo on the back of the conference agenda, your company logo on the GAINS website for the year, plus one vendor table and meals for two (2). The vendor tables will have priority exhibition space and will be assigned on a first-come, first-served basis. Please see the attached Exhibit Registration and Sponsor Application forms for additional information. A Wi-Fi sponsorship is available for \$1,500 and a promotional password for your company will be used.

Exhibit space is limited so please complete the attached Exhibit Registration Form and Sponsor Application and return it by April 12, 2024 to:
